Consent to release personal information

I hereby consent for my child's image and voice to be used by Curtin University, Engineering Aid Australia and its sponsors for the purpose of promoting the Indigenous Australian Engineering Summer Schools and their association with them and for related educational and publicity purposes.

I understand that Curtin University will not use any images of my child in an inappropriate manner.

By signing below, you give consent for Curtin University to share details of your child's application, including their name and other personal information, with EAA and any representative of that organisation, for the purposes of administering the Indigenous Australian Engineering Summer School Program and allow EAA and its sponsors to use this personal information to contact your child about scholarship, mentoring, work experience and work opportunities. This consent is not required to participate in the program.
