

Wednesday 17th October

Time: 4:30pm – 6:30pm

Where: Scitech, West Perth

Cost: \$15 Teachers, \$7.50 Pre-Service

Join us for an evening at Scitech where you will have the chance to:

- Participate in hands-on activities focused on teaching the Digital Technologies curriculum, and teaching with digital technology
- Preview Scitech's exciting new Technology Show for schools
- Network with other teachers and educational providers

What are the activities?

- Designing video games with Bloxels™
- Exploring coding and physical computing with Micro:bits™
- Create electronic and coding projects with KodeKlix™
- Pixel art and representations of data
- Designing and understanding algorithms with flowcharts
- Taking apart digital systems (with a screwdriver)

Who should attend?

- Primary educators and school leaders wanting to know more about the Digital Technologies curriculum and integrating digital technology in the classroom
