UNIVERSITY

# Exploring electrochemistry in the classroom

A PROFESSIONAL LEARNING SESSION  
FOR YEAR 11 AND 12 CHEMISTRY TEACHERS

Join Murdoch University's chemistry academics for a discussion of electrochemistry in the classroom, and explore reduction and oxidation within the context of antioxidants. Get hands-on experience with exciting titrations to deliver in your classroom, and widen your understanding of current and novel applications of electrochemistry.

**Date:** Monday 29 April 2019

**Time:** 4.00pm - 6.00pm

**Cost:** \$40.00 per person

**Venue:** Murdoch University,  
South Street, Murdoch Campus

**Register now:** Places are limited.
