19 - 23 August 2019

Science Technician Appreciation & Recognition week

#STARweek is an opportunity for schools to appreciate and recognise the professional support, invaluable knowledge and experience that science technicians contribute to your school.

During the week 19 - 23 August 2019 schools across Australia are encouraged to celebrate the work that science technicians perform to support practical science in schools. Share stories and images of your school's science technicians by posting with **#STARweek19**
