**DAY OF
IMMUNOLOGY**

VIRUSES, SUN EXPOSURE AND THE IMMUNE SYSTEM

Join us virtually to celebrate International Day of Immunology. Learn about your amazing immune system from the comforts of home. This public forum will explore viral infections and the benefits of sun exposure for metabolic and immune health.

Sunday, 3rd May at 3pm (AWST)

Register via Eventbrite, search "*Day of Immunology Perth*"

Dr Silvana Gaudieri
University of Western Australia
