

NOMINATIONS ARE CALLED FOR **ASTA President 2022-2023**

The person, who must be a current member of an ASTA-affiliated Science Teacher Association, will lead the ASTA Board in the implementation of the ASTA Strategic Plan 2020 - 2025.

The position, **ASTA President**, is a four (4) year term comprising:

- President Elect 2021 — induction phase
- President 2022–2023 — leadership phase
- Immediate Past President 2024 — support phase

The position is voluntary — the successful nominee is offered a rewarding experience providing unique leadership, networking and professional development opportunities. The position is supported by combined administrative, ICT and management support of the ASTA Secretariat based in Canberra.

Nominations OPEN Monday 31st August 2020

Please send nominations (including responses to selection criteria) to the ASTA Office at asta@asta.edu.au

Nominations must include the following:

- Name and membership number details of the nominee, their nominator and a seconder;
- A maximum of two (2) typed pages addressing the job and person descriptions, and articulating the candidate's previous experience and their vision for ASTA.

For further information and copies of the position description, please visit the ASTA website (www.asta.edu.au) and follow links to the ASTA President Nomination.

Nominations CLOSE Friday 23rd October 2020
