FIRST LEGO League

Volunteers

Would you like to be involved in FIRST LEGO League WA 2020?

Are you into LEGO? Do you enjoy robotics? Do you want to inspire young people to participate in science, technology, engineering and maths? FIRST LEGO League (FLL) is a volunteer-driven event and we need your help to make this event possible.

FIRST LEGO League teams – made up of 9-16 year old students - will be researching solutions for real-world problems. They must also design, build and program their robot using LEGO MINDSTORMS® technology and compete with other teams. Your help in judging, refereeing, scoring and crowd control is serious business but you will have an amazing day full of fun and laughter!

Where are the competitions?

- St Stephen's School, Sat 28 Nov
- Atwell College, Sun 29 Nov
- Champion Bay SHS Geraldton, Sun 29 Nov
- Wongan Hills Civic Centre Mon 30 Nov
- Gooseberry Hill PS, Wed 2 Dec
- Aveley Secondary College, Thu Dec 8
- Armadale SHS, Sat 5 Dec
- Kalgoorlie-Boulder Community High School, Sat 5 Dec
- National WEST Finals, Curtin University Saturday Dec 12

Prior FLL experience is not necessary. Training provided.
