

BONE & JOINT HEALTH EDUCATION SURVEY

A BONE AND JOINT HEALTH RESEARCH INITIATIVE -
SUPPORTING LIFELONG HEALTH AND PERFORMANCE FOR YOUTH

**EDUCATORS, SPORTS COACHES,
HEALTH PROFESSIONALS...
HOW CAN YOU HELP US?**

PARTICIPATE IN A VOLUNTARY RESEARCH SURVEY

to help to identify curriculum materials & professional teaching support that is required to educate children's bone and joint health literacy.

Results will aid in the design, development and uptake of educational and immersive digital applications to increase awareness of the importance of bone and joint health in young age groups.
