

The Game Changer Awards (GCA) creates an opportunity for students of all ages across Western Australia to aspire to start a career in the Science, Technology, Engineering and Mathematical fields to solve tomorrow's problems for the future. Our program recognises excellence, ingenuity, innovation, and entrepreneurship in tomorrow's emerging leaders.

The GCA provide a platform for individual or team based STEM projects to explore, produce, share and bring ideas to life from the following school year categories:

Year 3 | Year 4 | Year 5 | Year 6 | Year 7 | Year 8 | Year 9 | Year 10

Student based solutions can fall under one of the following global themes:

1. People
2. Place
3. Prosperity
4. Space

PROJECT SUBMISSION DATE

FRIDAY, 22ND SEPTEMBER 2023

The Basics:

- The **GCA State Finals & Awards Ceremony** is a very special day in the Game Changer Awards calendar, with lots of displays and fun STEM activities to engage both students, teachers and parents.
- The event will be held in the Edith Cowan University Sport and Fitness Centre in Joondalup. The 'science fair' format provides students with the opportunity to demonstrate their understanding of the problem, their critical thinking process and the solution they have developed.
- Regional students are encouraged to attend the GCA State Finals & Awards Ceremony. Schools who are unable to attend will be provided with the opportunity to link in digitally. Financial support may be available for regional schools to travel to the event on application.
- Prizes will be awarded to students and their teachers in each category for:
 - Best Overall Project
 - Best Use of STEM and,
 - Best Presentation.

Additional prizes will also be presented to schools and individuals throughout the event.
